DO YOU KNOW . . .

DO YOU KNOW WHERE YOUR GOING TO
DO YOU LIKE THE THINGS LIFE IS SHOWING YOU

WHERE ARE YOU GOING TO

DO YOU KNOW

DID YOU GET
WHAT YOU WERE HOPING FOR

WHEN YOU LOOK BEHIND
THERE ARE NO OPEN DOORS

WHAT ARE YOU HOPING FOR

DO YOU KNOW

NOW LOOKING BACK
AT ALL WE PLANNED

WE LET SO MANY DREAMS
JUST SLIP THROUGH OUR
HANDS

WHY MUST WE WAIT SO LONG
BEFORE WE SEE

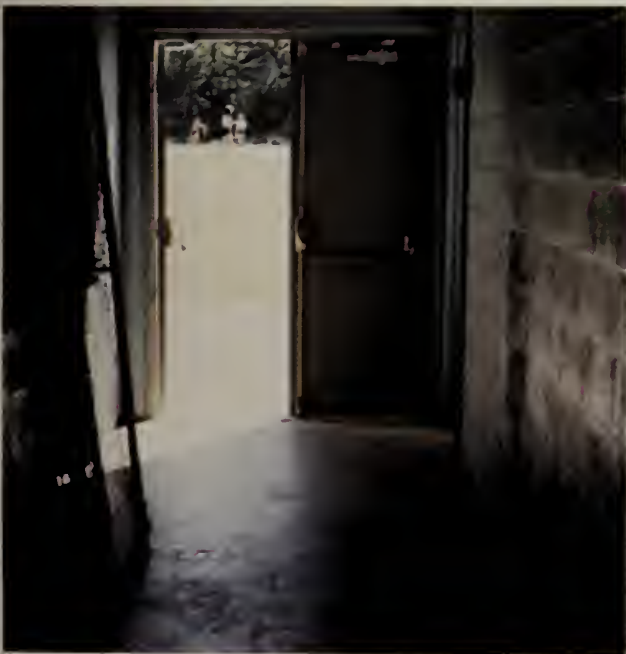

HOW SAD THE ANSWERS TO
SOME QUESTIONS CAN BE

WHERE ARE YOU
GOING TO

DO YOU KNOW

DEDICATION

For the last two years a special man has dedicated a great deal of his time to helping our class. He struggled along with us so we could have our Junior Prom; he was understanding when we weren't sure if we would have a yearbook, but most of all he was our friend when no one else was available to be our class advisor. As new and inexperienced to his job as he was, he cared enough to come to our rescue.

So because of his unselfish efforts, our junior and senior years have been great successes and two years that we will always remember. Therefore, with sincere appreciation we are dedicating the 1981 ECHO to our class advisor and friend, Mr. James Carelli.

ROBERT B. FLYNN
1962-1980
IN MEMORIAM

For everything there is a season,
and a time for every purpose under heaven:
A time to be born
A time to live
and a time to die.
Ecclesiastes
3; 1-8

We should all stop for just one moment to reflect on these words and to think about just how precious the time we have really is.

Robbie was with us for only a short time, but those of us who knew and loved him miss him dearly; remember him as the shy, friendly person he was, and are grateful for the time we shared with him.

As the years pass we can be comforted by knowing his memory will live on in our hearts and minds forever . . .

THANK YOU

The Echo Staff of 1981 would like at this time to bring to mind a very special lady who has, in one way or another, been involved with every student in Holbrook High School. She works in the Guidance office and each year without fail dedicates herself to the graduating seniors, helping them make the right decisions about colleges, and also helping in the writing of applications and transcripts.

This lady is Mrs. Helen Carty, who after eight years of service to our school is retiring. Her seat in the Guidance office will be a difficult one to fill in the coming year.

The Echo Staff of 1981 would like to thank Mrs. Carty for all her hard work and also like to wish her continued success and happiness in the future.

FACULTY

In this day and age when music has such a great influence on us all, we found it only fitting that music be a part of this yearbook. In order to help pass a long and tedious day, it would be nice if we could associate certain songs to the unique personalities of our teachers. That is exactly what we have done. So the next time a class seems to drag on, just think of the song for your teacher, and just whistle while you work!

HOMECOMING 1980

Linda Pendergast, Cathie Currie, Robin Yerkes, Donna McCormack, Stacey D'Arcangelo.

Robin Yerkes

Saturday, October 18, 1980 was an exciting day for five special girls. The five finalists Cathie Currie, Stacey D'Arcangelo, Donna McCormack, Linda Pendergast, and Robin Yerkes nervously awaited the final judgement of who would be the 1980 Homecoming Queen.

All of the girls were worthy of the title, but the final choice was Robin Yerkes. Robin was crowned by the 1979 Homecoming Queen, Lori Stevelman. The Queen and the Runners-up received flowers and were taken for the royal ride around the football field to end a perfect afternoon.

JUNIOR PROM 1980 "COLOR MY WORLD"

In the course of the first week in May, the high school gym was transformed from an ordinary basketball court into a beautiful decorated dance hall. The setting sun outside was as breathtaking as the illusion of the one created inside, allowing us to travel from a sunrise in Paris, through an afternoon in Tokyo, and on to a colorful sunset in Hawaii, culminating at night in New York City. The blinking lights of a Broadway marquis announced to one and all the theme of our prom "Color My World". In the course of the evening, a queen and her court were chosen. Princesses Donna McCormick and Maura Duffy were selected. Queen Patty MacWilliams and the King Steven Kiser were crowned. Following the coronation, the dancing continued. The evening ended with a bountiful buffet of international delicacies. May 9, 1980 was a memorable evening for all who attended.
